象棋在德国的的发展

德国象棋协会（DXB）作者：莱德（Rudolf Reinders） 翻译：薛忠

象棋在德国的开始

上世纪大约在 1970 年到 1980 年期间只有很少的中国人生活在德国。因此，那时对于一般的德国人几乎没有渠道接触到象棋的游戏（中国象棋）。只有汉学家有机会接触中国文学了解到象棋和她的历史。然而，大多数德国的汉学家更多地关注于现代语言、政治、经济、历史等等。似乎象棋不被认为是一个重要的中国传统文化并且和国际象棋具有同等地位的智力挑战游戏。一些到过中国的德国旅行者把象棋描绘成和中国跳棋类似的游戏，甚至没有意识到中国象棋是和国际象棋一样具有悠久的历史 and 传统。

80 年代在德国的几个不同的地区一些象棋活动开始开展，目的是将象棋介绍给更为广泛的群体。这里仅提及其中几个典型的的城市：

曼海姆：大多数棋手是越南裔；他们曾经邀请中国代表团访问并由赵国荣大师表演车轮战。

亚琛：国际象棋大师布德（Vladimir Budde）成立了一个象棋俱乐部并且出版了一本象棋的入门书包括介绍象棋的历史。

施密特（Rainer Schmidt）

1993 柏林

汉堡：乌韦（Uwe Frischmuth）和耐格勒博士

（Dr. Michael Naegler）于 1989 年成立了一个象棋俱乐部“1989 年的汉堡象棋联盟”。

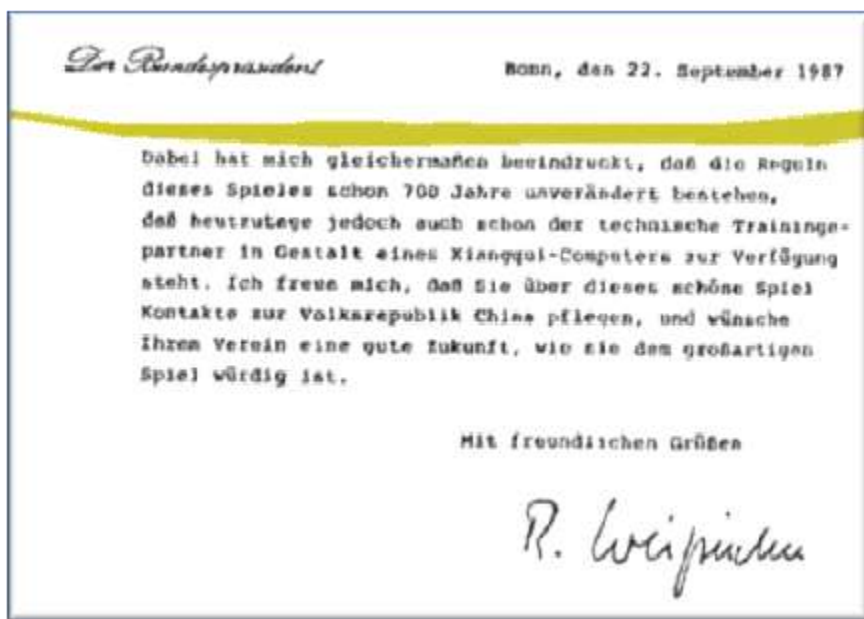

后来他们组织了一系列活动例如邀请包括胡荣华在内的中国象棋代表团的访问交流。

柏林：大多数象棋活动都由施密特（Rainer Schmidt）发起。因为他的专业是汉学，他把象棋书籍从中文翻译成德文。

施密特出版了介绍象棋的书籍，介绍开局和来自中国的大师对局谱。1986 年到 1989 年期间他和 Rainer Caspary 共同出版了一本名叫“象棋”的杂志（XIANGQI）。该杂志为季刊，侧重于象棋的历史，他发表的关于象棋的一些文章以及他成立一个工作小组专门研究象棋的雏形，例如六博。

1985 年施密特和棋友共同注册了一个象棋协会（XIANGQI e.V.）。这个象棋俱乐部定期组织比赛，访问中国，与中国代表团联系并且举办象棋学习班等。后来，柏林与汉堡的象棋组织联手开始在德国范围内组织象棋比赛，这些都为德国象棋协会（DXB）的成立奠定了基础。这里要特别指出德国象棋协会是由德国人成立的，意在向非华裔推广象棋。德国象棋协会的成员大多数是德国人。

前联邦德国总统理查德·冯·魏茨泽克对于国际象棋非常感兴趣，同时他也是一名水平很高的业余棋手。因此，德国象棋协会把来自中国的象棋以及象棋在德国开展的情况向他做了汇报。他非常认可德国象棋协会与中华人民共和国以象棋的方式进行沟通，以下是他的来信。

在信里他写到：

“这个游戏的规则 700 多年还保持不变给我留下了深刻的印象，当今象棋软件可以作为辅助训练的科技手段。

我也非常高兴你们能通过这个奇妙的游戏和中华人民共和国取得联系，我也祝愿你们的象棋协会跟这个令人尊敬的伟大的智力游戏一样有一个美好的未来。”

（1987 年 9 月 22 日于波恩）

当德国著名的国际象棋特级大师罗伯特·许普纳博士与柏林的中国象棋组织取得联系的时候，德国公众的注意力被吸引了。他参加了一系列中国象棋代表团（由胡荣华、钱洪发和许波组成）的活动为今后的一些象棋赛事获得一些经验和实际操练。他参加了 1987 年在巴黎举行的欧洲象棋锦标赛（获得第 6 名），在伦敦举行的欧洲象棋锦标赛（第 2 名），1987 年在四川成都举行的第三届“七星杯”象棋国际邀请赛（第 24 名），以及 1993 年在北京举行的世界象棋锦标赛（第 36 名，最佳非华裔棋手！）。

1993 年：象棋全世界推广启动年

1993 年对于德国象棋棋手来说是个忙碌的年份。9 月份在汉堡举行的“皇后杯”象棋赛上乌韦（Uwe Frischmuth）取得了第二名的好成绩，排在蒲明刚之后（来自汉堡的华人棋手）。在同一个月乌韦和西耶维特（Hajo Siewert）参加了在英国举行的一个象棋国际公开赛（Exmouth 埃克斯茅斯中国象棋周），分别获得第三和第四名。

随后的 10 月份欧洲象棋锦标赛在巴黎举行。德国派出了 18 名棋手参加了该赛事。Nguyen Van Dua（德国越南裔棋手）在 56 名参赛棋手（其中 31 名是亚裔棋手）中名列第 15。最佳非亚裔棋手为来自德国队的 Stefan Scholz 名列第 22。

此外，柏林夏日杯象棋公开赛也在这一年第一次举办，今年正好是第 20 届。

然后，这一年的真正亮点无疑是 4 月份在北京举行的第三届世界象棋锦标赛。76 名男子棋手和 11 名女子棋手参加了该赛事的角逐。新的男子个人世界冠军是来自中国的徐天红，排在他后面的是他的同胞也是 1991 年世锦赛的冠军得主赵国荣。德国有 12 名棋手参加了该届世锦赛（其中 11 人为非华裔）：

许普纳博士（Dr. Robert Huebner）、西耶维特（Hajo Siewert）、耐格勒博士（Dr. Michael Naegler）、乌韦（Uwe Frischmuth）、汉西蒙（Simon Henke）、马步来（Markus Brenner）、舒尔茨（Stefan Scholz）、胡伯（Siegfried Huber）、Do Tuyet Ha（越南裔）、贝伦茨（Jan Berents）、斯托克特（Falko Stockter）、第德里克斯（Sven Diederichs）。

1993 年对于象棋在世界的推广是个非常重要的年份。在北京成立了世界象棋联合会（WXF），意在全球范围推广普及中国传统文化一象棋。

在世象联会议上德国的乌韦做了发言，他的愿景是德国也能够为象棋的国际化作出更积极的贡献。他用当时很流行的一句口号作为结束语“友谊第一；比赛第二”。

这个愿景很多成为了现实。德国举办了多次欧洲象棋锦标赛和国际性的个人和团体赛事，并且定期组队参加欧洲和世界象棋锦标赛。

Development of Xiangqi in Germany

German Xiangqi Association (DXB) : Rudolf Reinders, Xue Zhong

Local start-up of Xiangqi in Germany

In the last century up to about 1970 to 1980 only very small groups of Chinese people were living in Germany. Therefore, for the average German at that time almost no sources were available to get in contact with the game of Xiangqi (Chinese Chess). Only sinologists had the chance to get access to Chinese literature on the game and its history. However, most of the German sinologists were focused more on the modern language, politics, economy, history etc. It seemed that Xiangqi was not really considered as an important cultural heritage and a game with similar intellectual challenges as the international chess. Some travelers to China reported on a board game similar to Chinese checkers or Draughts and did not even recognize it as the Chinese counterpart to international chess with a long history and tradition.

In the 1980s at different regions in Germany some activities started to introduce Xiangqi to a broader community. Just to mention some places exemplarily: Mannheim: most players were Vietnamese; they organized e.g. a visit of a chinese delegation with a simultaneous display of Master Zhao Guorong.

Aachen: Vladimir Budde, a Master in International Chess, founded a club and published an introductory book on Xiangqi including historic aspects

Hamburg: Uwe Frischmuth and Dr. Michael Naegler founded a Xiangqi club in 1989 called „Spielgemeinschaft Chinaschach von Hamburg von 1989“. Later they organized different events including visits of chinese delegations with Hu Ronghua.

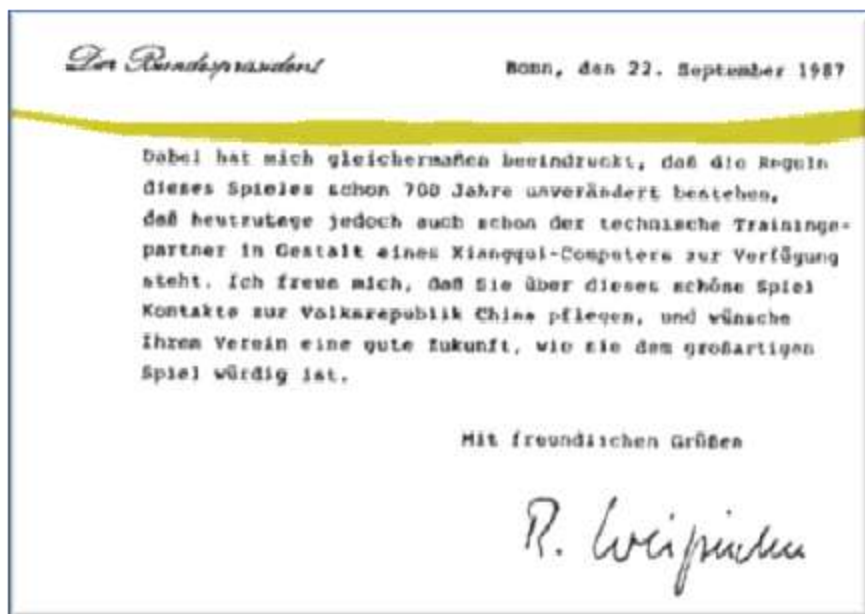

Berlin: Here most of the activities were initiated by Rainer Schmidt. Because he studied sinology he was able to translate information on Xiangqi from Chinese to German.

He published books on introduction to Xiangqi, Openings and Games in China. From 1986 to 1989 he together with Rainer Caspary published a quarterly called „XIANGQI, Zeitschrift für chinesisches Schach“. His focus was also on the history of Xiangqi, a topic about which he published some articles and even recently he founded a work group on predecessors of Xiangqi, e.g. Liubo.

In 1985 he was co-founder of a registered association „XIANGQI“. This club organized tournaments, visits to China, contacts with chinese delegations and introductory courses as well. Later, together with the Hamburg group they started german wide the organization of Xiangqi tournaments which was the basis for the German Xiangqi Association (DXB). It must be specially mentioned that German Xiangqi Association was established by the Germans, aiming at popularizing Xiangqi among non-Chinese people. Its members are mostly Germans.

The former President of the Federal Republic of Germany, Richard von Weizsaecker, is very interested in international chess and a quite good hobby player. Therefore, the Berlin Xiangqi players forwarded information on Xiangqi and the activities in Germany to the President. He acknowledged the establishment of contacts to the People's Republic of China with the following

letter dated 22 September 1987.

In the last part he wrote:

“I am glad you are establishing contacts to the People's Republic of China by means of this marvelous game. I wish your Association a good future worthy of this magnificent game.”

Wishes from Richard von Weizsaecker, President of the Federal Republic of Germany

Public attention was attracted in Germany when the famous german International Grandmaster (IGM) of international chess, Dr. Robert Huebner, got in contact with the Berlin Xiangqi group. He attended the sessions of a chinese delegation (with Hu Ronghua, Qian Hongfa, Xu Bo) for getting experience and practice for some tournaments. He participated in the European Championship in Paris 1987 (6th place), the European Championship in London (2nd place), the third

„Seven Star Cup“ (七星杯) in Chengdu, Sichuan in 1987 (24th), and the World Championship in Beijing 1993 (36th, but best NCNV player!).

1993: The Year of Launching the International Popularization of Xiangqi

1993 was a busy year for the German xiangqi players. In September the Queens Cup was carried out in Hamburg with Uwe Frischmuth on the second place behind Pu Minggang (a Chinese player from Hamburg). In the same month Uwe Frischmuth and Hajo Siewert participated in an international tournament in the UK (The Chinese Chess Week Exmouth), and finished on place 3 and 4 resp.

The European Championship was held in Paris in October. Germany was represented by 18 players. Nguyen Van Dua was ranked 15th of 56 players with 31 Asian players. Best non-Asian player was Stefan Scholz from Team Germany on rank 22.

Furthermore, the Berlin Summer Cup was initiated which this year has its 20th anniversary.

However, the real highlight of the year was the Xiangqi World Championship held in April at Beijing. 11 female and 76 male players attended the competition. The new World Champion became Xu Tianhong (China) followed by his compatriot and world champion of 1991, Zhao Guorong. From Germany 12 players participated in the tournament (11 are NCVN players):

Dr. Robert Huebner, Hajo Siewert, Dr. Michael Naegler, Uwe Frischmuth, Simon Henke, Markus Brenner, Stefan Scholz, Siegfried Huber, Do Tuyet Ha (Vietnamese), Jan Berents, Falko Stockter and Sven Diederichs.

The year 1993 was very important for the international popularization of Xiangqi. In Beijing the World Xiangqi Federation was founded, aiming clearly for world wide popularization of the Chinese cultural heritage, Xiangqi.

At a WXF meeting Uwe Frischmuth gave a speech with the vision, that Germany could also be more active in the International community of Xiangqi. He ended his statements with:

(Friendship first; Competition second) 友谊第一；比赛第二。

This vision becomes more and more reality, so Germany conducted several European Championships and regularly internal tournaments for individual and team championships. Regular participation in European and World Championships is now normality.

German delegates are involved in official functions of the WXF.

- Dr. Michael Naegler, the strongest NCNV player in Germany, is Vice President of the WXF
- Xue Zhong is Deputy Secretary-General
- Siegfried Huber and Pu Fangyao are members of the Qualification Commission
- Claus Tempelmann and Rudolf Reinders are members of the Competition Commission
- Xue Zhong and Dr. Rene Gralla are members of the Promotion Commission
